Organization: Tunga Nutrition Uganda		Process: All Sections, Interested Parties

Tunga Nutrition Uganda Limited is committed to the manufacture and supply of safe, high-quality animal feed products that consistently meet customer expectations and applicable statutory & regulatory requirements.

This is in line with Nutreco shared values – in particular, our value of integrity – and our dedication to helping build a more sustainable industry through our purpose of Feeding the Future.

Food safety within Tunga’s animal feed manufacturing operations is ensured through the consistent application and maintenance of defined operational controls across all processes affecting product safety, in compliance with applicable requirements, with food safety objectives established as measurable FSMS performance targets that are reviewed at planned intervals to monitor effectiveness and support continual improvement.

To achieve this Tunga shall:

1. Comply with all applicable food safety, statutory and regulatory requirements, as well as mutually agreed customer requirements related to food safety.
2. Ensure effective internal and external communication on food safety matters, including communication with employees, suppliers, customers, regulatory authorities and other relevant interested parties.
3. Identify, provide and maintain the necessary resources, infrastructure and working environment to support the production of safe feed products.
4. Ensure that all personnel whose activities affect food safety are competent on the basis of appropriate education, training, skills and/or experience.
5. Promote a strong food safety culture by encouraging employee involvement, accountability, reporting of hazards and adherence to established procedures.
6. Implement and continually improve the suitability, adequacy and effectiveness of the FSMS and implementation of corrective actions.

Our commitment to quality is an important part of what makes Tunga Nutrition Uganda the preferred partners and suppliers of choice and is crucial for the future success of our company.
